

Derby Speaks Up to #AccelerateAction

part of International Women's Day
Derby Festival thanks to Rosa

11am - 2.45pm Friday 7th March 2025

at Derby West Indian Community Association DE1 2ND

**Join us for courageous conversations
on tackling rising misogyny and proposed programmes
to help people change unhealthy or abusive
relationship behaviour at the earliest opportunity**

Bringing together people of all genders from local agencies, charities, specialists, survivors, campaigners, journalists and the community. This will be a space for discussions, pooling insights and identifying collaborative next steps via action panels in the spirit of the Suffragettes' motto #DeedsNotWords

**Together, we can make
Derby & Derbyshire
a better, safer place
to live, love,
work and
play**

PROGRAMME

RSVP, enquiries, access requirements
via e-mail womensdayinderby@gmail.com

11am Freedom from misogyny

Screening of animated videos based on community dialogue about experiences of misogyny and what needs to change in local services, followed by roundtable discussions and action panel on next steps

12.00pm Lunch

12.30pm Our campaign: Inspiring more funded programmes for safer, healthier relationships at the earliest signs of domestic/partner abuse

Presentation on learnings from current perpetrator programmes, plus results of a survey, research and film featuring vox pop and interviews with survivors and campaigners. Roundtable discussions and an action panel to identify next steps, including a 'You Said, We Did' one-month follow-up event to review and build upon progress. Concluding at 2.45pm though the space remains available should you wish to continue conversations.
